WANNA BE MY BOOKWORM?

Roses are sometimes red,
And violets are usually blue,
There's a million and one things
Inside a bookstore that you can do!

Now, you can do this two different ways! You can give each other 30 minutes and split up... meeting back at the designated spot when the time limit is over... OR you can just go together to each section, find the different books/magazines, and meet back at the spot.

- Visit the COOKING section & chose a recipe that you would like to make for your sweetie.
- Go to the TRAVEL section and find a picture or information on a place you would like to visit someday.
- Visit the CHILDREN'S section & find a book that was a favorite when you were a child or that holds a special memory for you... and read them to each other when you meet back up.

While you're there, use the enclosed money to have a coffee!

What would constitute a perfect day for you?

"Dear friends, let us love one another, for love comes from God. Everyone who loves has been born of God and knows God. Whoever does not love does not know God, because God is love."
