

you've been
EGGED!

Throughout your yard, hidden with care, eggs wait to be found - if you dare! Open them up and you will see, they're filled with treats to you from me!

One will be empty - there's no need for gloom, for it's only a reminder that Christ rose from his tomb!

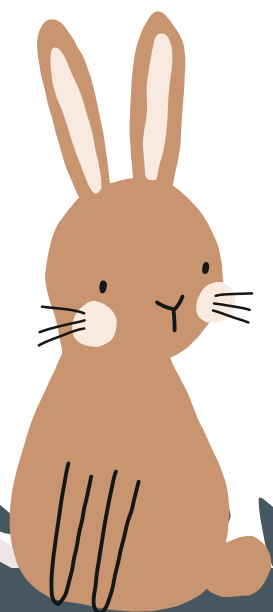

NOW IT'S YOUR TURN TO
SPREAD SOME EASTER
CHEER! EGG A FEW MORE
HOUSES FAR OR NEAR!
