

# HOST A *Mom Event*

## PARTNER WITH US TO REACH MOMS

### Equip Moms

Moms are disciple makers. When you invest in moms, you are investing in the future of your church.

Moms equipped with biblical hope and helpful resources will equip the next generation.

### Grow Community

Events are created to encourage attendees to start groups as their next step.

Our team will work with your church groups model to help start mom groups out of the event.

### Easy to Host, Big Impact

Events are simple, turnkey, and high-impact. Our team member will work directly with your church event coordinator.

We provide the content, resources, and program — you provide the space and the heart.

**SCHEDULE A CALL**

# GATHER *moms*

## EVENT OPPORTUNITIES

### HOST OPTIONS
